)

This matter was opened to the New Jersey State Board of Dentistry (the "Board") upon the application of Christopher P. Mulloy, D.M.D. ("respondent"), seeking to remove restrictions imposed by the Board's Consent Order of November 5, 2003.

In support of his application to remove restrictions, respondent provided a letter from Louis E. Baxter, Sr., M.D., FASAM, Executive Director, Professional Assistance Program (PAP) which attested to respondent's continued recovery, full adherence to the treatment plan and completion of three years of conditions on November 5, 2003. Based on the letter and on respondent's compliance with the terms of Board's prior orders, the Board has determined that the prior restrictions on respondent's license are no longer necessary and the within order is adequately protective of the public health, safety and welfare.

IT IS ON THIS 25th DAY OF July, 2007.

ORDERED that respondent is hereby granted an unrestricted license to practice dentistry in the State of New Jersey.
